REMARKS

In order to more clearly describe Applicants' invention, claims 13 and 25 have been cancelled and replaced by new claims 26 and 27 respectively. As a result, claims 14 and 20-22, which depended from claim 13, have been amended to depend from new claim 26. Finally, claims 17-21 have been amended to provide more clear antecedent basis as well as, in the case of claims 18 and 19, to correct a minor grammatical error. No new matter has been added.

Consideration of this amendment, prompt examination and allowance of this application is respectfully requested.

Respectfully submitted,

Date: January 21, 2005
